

Elmore City-Pernell High School

Please understand that our gym at Elmore City-Pernell is very small and not set up well for appropriate social distancing. We understand that students need the support of their families at games, and are instituting the following guidelines so we can move forward with the 2020-2021 Basketball season at the MS, JH, and HS level.

General Guidelines

- Facemasks or other appropriate face coverings must be worn to enter the facility, anytime you are in the lobby/concession area, or anytime you cannot properly social distance from others. We ask that you please do not loiter in the lobby/concession area.
- Households may sit together, but we ask that you keep appropriate social distance (6 feet minimum) from those not in your household.
- All children must sit in the stands with their family.
- Spectators will not be allowed to congregate in the lobby before, during, or after the games.
- Any fans refusing to follow guidelines will be politely asked to leave. The game will be paused, if needed, until any situations are resolved.
- The first two rows of the home side and the first three rows of the visitor side will not be available for seating. Those with difficulty in climbing stairs are advised not to attend. We ask that all individuals stay on their appropriate side of the gym.
